

Dr. Debbie
FRANK

Fashion and Lifestyle Influencer

With over five years of experience in social media, Dr. Debbie Frank has honed the art of engaging and influencing audiences across various platforms. As a business professor, Debbie brings a unique blend of academic rigor and practical expertise to the fashion industry. Debbie's style is professional, classic, and with a touch of romantic. The content she creates for her social media channels brings a fresh perspective to the local brands and positively draws attention.
